If a candidate's notice of oral interview or performance test fails to reach him/her prior to the day of the interview, due to a verified postal error, he/she will be rescheduled upon written request.

Applications are available at CalHR, local offices of the Employment Development Department, CALPIA, and at www.calpia.ca.gov.

If you meet the requirements stated on the reverse, you may take this examination, which is competitive. Possession of the entrance requirement does not assure a place on the eligible list. Your performance in the examination described on the other side of this bulletin will be compared with the performance of the others who take this test, and all candidates who pass will be ranked according to their scores.

CALPIA reserves the right to revise the examination plan to better meet the needs of the service if the circumstances under which this examination was planned change. Such revision will be in accordance with civil service law and rules and all competitors will be notified.

Examination Locations: When a written test is part of the examination, it will be given in such places in California as the number of candidates and conditions warrant. Ordinarily, oral interviews are scheduled at Folsom headquarters and correctional institutions throughout the State. However, locations of interviews may be limited or extended as conditions warrant.

Eligible Lists: Eligible lists established by competitive examination, regardless of date, must be used in the following order: 1) Subdivisional promotional, 2) departmental promotional, 3) multi-departmental, 4) service-wide promotional, 5) departmental open, 6) open. General Qualifications: Candidates must possess essential personal qualifications, including integrity, initiative, dependability, good judgment, and ability to work cooperatively with others; and a state of health consistent with the ability to perform the assigned duties of the class. A medical examination may be required. In open examinations, an investigation may be made of employment records and personal history and fingerprinting may be required. Any limitation which restricts a person from safely performing the essential functions of the position may constitute the basis for removal of the candidate's name from the eligible list.

Background Investigation: If you are successful in this examination, you may be required to complete a background investigation form disclosing information on arrests and driving violations. Candidates will be fingerprinted to search fingerprint files to disclose any criminal record. The hiring agency will use this information to determine your suitability to become a CALPIA employee.
